I/m Welch Initiated the Grievants process around the End of June addressing the Snitch/Liggett issue for the officers vicious actions; that to date has caused very Adverse Circumstances for I/m Welch, affectionately housed in Ad-seq. I/m Welch Was Written up Twice in The Same Week 1st on 7/4/19 2nd on 7/8/19 (C/o Castro Is 1st/C/o Thompson 2nd) Showing 2nd & 3rd party Retaliation for Their fellow officer. 7/4/19 After Missing my Call back at tier recall C/o Liggett/Castro appear and tell me & celle to step out for Cell Search at which I requested A GUARD super be assigned to Superv Search as I had an open/ongoing unresolved Conflict of Interest with C/o Liggett which had nothing to do with C/o Castro. Then I told them Can C/o Levitt/Castro Come down and Conduct Search with Castro, both requests for Super and All C/o for Search are Denied. All my plans to Castro/Leavitt as to why I didn't feel comfortable with C/o Liggett in my direct vicinity and why I requested an guard Super was ignored as if it didn't matter. on 7/8/19 after being told by C/o Whittaker in my Cell to Return to Activity Room per Sect's Orders after I left recently speaking with CCS UI W/Seifelson about my Safety Concerns over my Notified affiliation Recently discovered and the Snitch jacket p in me by C/o Liggett. The play on Words by C/o Castro that I flat out denied cell search is rather witnessed by my then celle L. Lee #12 15943 is untrue. C/o Thompson's statement about his observation but then words that I MV. have snuck back into Activity Room is Contradictory Also the fact that <sup>my</sup> Group 2 was in fact on tier when I first Asked C/o Thompson could be Cell Sift, and C/o Thompsons Reply saying I said also about being in danger is

untrue ALSO as I "factually" told him that I was unsure as to my Safety and that's the reason for the SCRT request; which is before C/O WHITAKER told me in my cell to return to the Activity Run. The play of words, Contradictory observation shows These officer Motives were Ultorior/malicious against Welch for their Constituent to paint I/m Welch as the Bad Guy. In application to make Welch look disruptive / Hostile towards C/O's on unit when in fact Welch has never had a Disc-Writ like those of 7/4/8/2019 while he was on unit 6 for over 120 days prior to these events. Also the type of Conflict of Interest (A) a officer I/m Welch stated to officers of Central Booth to leave with his/hand merit for a Super "Should" have be called to unit and C/O Tompsons Disc-Writ as a whole ER I/m Welch attempting to Redress vital issues as his personal life / Safety/wellbeing is No way an issue for a Disc-Writ this is total Injustice By this Dept Admin / It's officers Adverse Actions against inmates for exercising protested rights to redress Dept issues, Griev's, concerns directly involving me vs inmates. My Housing, In add-ay for sexual/physical threats by inmates upon unit 6 A/B is more than "Validation" that my issues were critical / severe Safety/wellbeing issues. I Humbly Request The 7/4, 8th/2019 Disc-Writs be Voided/Dismissed from my Institutional File (ASDP) OIC #'s 4,651102/465602. Thank you may Nature bless us all.

REPORT OF VIOLATION	
<p>On July 4th, 2019, I, Correctional Officer Castro, was assigned to unit 6 A/B as a floor officer at HDSP. At approximately 1810, after tier recall of group 2, I attempted to conduct a random cell search of 6A-13. Upon opening 6A13 I instructed inmate Welch #1030777 and Inmate Lee #1215943 to go sit in the day room table by officer Liggett so I can conduct a cell search. Inmate Welch then stated that he was not going to come out of his cell and also stated that a camera had to be present to search his cell. I again asked him to come out of his cell so I can conduct a cell search to which Welch again did not obey my order and said that he felt as if he was being target. We then closed 6A-13 and I notified Welch that he will be receiving a notice of charges. LT Ontiveros was informed of this incident. End of report.</p>

PRELIMINARY STATEMENT OF OFFENDER

When I went into the activity room to speak with Sgt. Dvorak and the caseworker about my issue, I finished my conversation with them. After we were finished Sgt. Dvorak had the officer open the activity room door so that I could go back to my cell. Then Officer Whitaker who was 6AB control told me that CERT was on their way down to talk to me and to go back into the activity room. So I left my cell and went back to the activity room, when CERT arrived down at 6 AB they talked to only the control officer. After they finished their conversation I was told again to go back to my cell and that I would be transferring to operations or be red tagged in my cell. I ended up going to operations to speak with a caseworker, CERT, a Lieutenant, and a Sergeant about my issue. When I returned from operations I continued writing kites to various supervisors on the yard.

REDOCTY

I were transferred from HDSP on 9/5/19 as "priorly suspected" I'm currently @ the NDOC sister facility in Carson City.

Since my arrival I've been sehoured in Ad-seq & ignored by dept, admin et.al; I even have been denied to speak with the pre-trail auditors that were here last week between (13 - 14th) I believe, even as I have an open filed pren Complaint in this case that was filed before transfer, I've also now noticed the law-librarry supervisor is currently denying my right to attempt to contact the media; via Las Vegas review. Journal investigative dept contacts, investigators, as I wish to get the news out about my case & ordeal et.al. while I were provided my Indigent envelops, it's said I cannot use them to mail legal mail & the same request that was submitted to receive my NSF state issue mail envelops, I requested to receive the legal manila envelops that was on order at HDSP under my Indigent request's, currently I have not received that like or Legal envelops as I noted I have multiple Civil suit, legal order's at hand & needed Legal supplies. I believe I have one or two legal manila envelops remaining from HDSP that I'm saving for Court reply when the address change takes effect & the legal mail begins to catch up with me pertaining to my dental suit Civil challenge, but I believe I will be further transferred north to Ely state-MX which is much more restrictive which has total control of outgoing mail through the facility & control of the mail by family owned postal office

I have on hand mail I attempted to mail from ESP from several yrs ago dealing with my current medical legal suit et.al so if any failure to reply to defendants & or your court replies or notice for need to submit something to the court, is not sent you will know why; also while sitting here I recently have further reason to fear of my safety as I've heard inmates on doors discussing we in terms that I were on protective custody at high desert, so I believe that have changed my chances to be let out to this yards 6-population & being sent to Ely ESP would be most dangerous to my life/safety in multiple ways, some inmates were hurt badly for being discovered that they were said prison/outside Snitch's, just last week. while we obtained a couple blank envelops needed to send out legal mail, I'm budget & don't have funds to purchase more to mail future legal mail out & this is adverse and atypical hardship on me as it just heaps up dept owed dept on me. I don't know how long I'll be safe or what's stored ahead for me your honor, but can you grant me approval to receive copies of the complaint & all submitted documents to date so I can keep factual record of what's filed or not; & what reached the court or not from this point on as the mail tampering has been submitted with proof to my knowledge. The 2nd, 3rd party retaliatory disc-writs are now submitted for records, your review in this matter, all C/O's worked on unit 6; where all this incidents stems from. Thank you your honor for your precious time & attention today.

officials, agents, officers in its entirety, since I filed an emergency griev on 9/10/14 about a medical issue; until last the 12th (s) when I asked to speak with a shift supervisor to address the order which determined there was no record of the griev being filed at all on 10th; Sgt. Weller had to make copy of my pink copy; remaining SPC/bartlett (s) who signed the griev on 10th. I've since filed an griev, about the entire issue a personal injury & time suffered through medical problem. I've been totally ignored since I arrived here at NNCC; I've went through raw week of hell after I was told to sit ready & go to unit 5X, which led me to file a counter-griev on biohazard issues & being housed in unsanitary cell; after my second counter-griev on 6/14/15 C/o Bartlett said your situation is solved CCS can't aid your moving back to unit 7 within 3 hrs. From time I spoke with him around 9am, I was told the area was due to construction. C/o Serrano brought me inside unit 7 & SPC/bartlett immediately started to run in shower at which time I attempted to notify bartlett to kindly respect my property, when female unit 100A C/o V. told me I should wait to speak with bartlett as he was very angry, after I mentioned her that I was attempting to make him aware of prior facility retaliation by C/o against me & abu damaged family photo album etc; C/o bartlett replied he pissed due to all the bad works & everyone getting his wrath et.al. No V.A form was given for books, catalogs or religious items & legal case items & documents discarded; not only my sewing kit & fingernail clippers was.

7 with this NDIC, administration, agents and officials, to retaliate upon  
8 Plaintiff by tampering with outgoing legal mail; and denying  
9 Plaintiff the right recently to have access to outside Media, News Journalist

## Memorandum

1        1) plaintiff, Mr. Kentrell D. WELCH, pursuant to Rules 16(a) and 19(a)  
 2        Fed. R. Civ. P., request leave to file an amended complaint, supplementing  
 3        the Court records with the grievance filed in said complaint showing PLRA  
 4        exhaustion under U.S.C.A. 1997 e(a)  
 5        (i) plaintiff filed grievance dated 6/5/19 was received by unit head CCSO  
 6        Larry Weisse on 7/09/19; whom submitted it to the HDSP associate Warden,  
 7        Jennifer Bush whom responded on August 12, 2019; and the reply received  
 8        plaintiff on 8/29/19 A.M on protective/ad-seg unit 3 B# 24.  
 9  
 10        (ii) HDSP has factually denied; plaintiff a sensible, effective and equitable  
 11        remedy per NDOC-HDSP AR/OP 740; even in light of the obvious danger  
 12        to plaintiff's safety/well-being, plaintiff was rejected for grievance  
 13        administrative review and tagged as abusing the NDOC-HDSP Admin-  
 14        istrative process. NOTE: 1st 1v) Grievances go directly to HDSP associate  
 15        Warden/wardens offices for review 1s reason grievance was filed at  
 16        that level; but the dept's associate Warden's reply clearly shows the  
 17        callous, uncaring, blind eye turned against plaintiff; pertaining to  
 18        the stated facts of safety/well-being of plaintiff.  
 19  
 20        (3) under PLRA, a prisoner who procedurally defaulted federal claims in a state prison  
 21        grievance proceeding would meet the technical requirements for exhaustion (1) lack of  
 22        alternative or opposition and (2) accordingly under the plain text 1997(c) a the

(3) Plaintiff is "unsure" what the Courts have filed to date, but submits some documents plaintiff believes has not been submitted. Plaintiff submits chronological kits, pleadings, request for redressment by this dept CCS, agents, officials et.al., w/o being provided answer, reply, notice's; or adequate or equitable remedy.

(4) upon information and belief all added named parties under the color of law are willfully in concert, coinciding to continually violates the plaintiff rights; by the failure to provide plaintiff with due process and the running unit mauls w/o justification, but placing plaintiff in solitary confinement. - Cont.

uninhabitable, unsanitary cells, biohazard/unhealthy areas within the prison; but fail to reply to plaintiff request's to be processed equally as other inmates that is processed into this NNCC facility of corrections.

Plaintiff even was denied to speak with PREA staff and personnel that was ongoing near. at NNCC between the (1st - 11th of Sept)

(5) Plaintiff's property was (sufficed by No. officers bartlett, Wimberly, see's emergency given and informal Grievance dated - 9/21/19, ) Incident took place 9/20/19 where defendants went through plaintiff property discarding various legal paper, articles, documents and religious materials and trashed plaintiff's cell, Shift Supervisor Lt Gerbaldi's failure to document/ take picture or reprimand his underlings for their total disregard for their own dept A.R./no procedures 339, 332, 442, 711, 360; c/o's conduct, training, reporting, handles personal property, Full classification (not realistic housing et.al. while Lt Gerbaldi did state his c/o's were excessive/overboard in how they dumped plaintiff's contents out of boxes all over tanks scattering plaintiff's legal various documents all over cell, but their allowed to do so and walked off. Plaintiff being in constant fear/overwhelmed by Incident, waited for new A.M shift to try & re-report Incident for documentation, Filing, which was told by Shift A.M Sgt/ Lt. Sro: response on emergency given, totally collapse/unreal.

(6) Plaintiff continues to suffer multiple symptoms of exacerbated medical conditions of Hypothyroid/Rheumatoid arthritis, by the entire medical outgoing against him by defendants of this dept. symptoms Weight loss 1bs, Headaches, dizziness, high tension, anxiety, mental anguish, depression et.al. cont.

(7) This Mental stress /anguish is taking an Very adverse effect upon plaintiff's mental/physical body.

(8) Plaintiff believes that further transfer to most violent/dangerous MAX prison in NV ESP. is possible or pending, while plaintiff is parading around facility in light as an protective. As today Inmate, plaintiff is constantly housed in ad-seg; while this yard was to be medical and free from various gang/org, affiliated groups/ inmates, plaintiff has received no relief, or freedom to General population to be provided aggravated /AW-liberty access, fresh air, exercise and or the allotted priv legs of all other inmates housed at this facility.

(9) Plaintiff continues to suffer tortious, by this dept's officials, agents actions, against plaintiff.

(10) Plaintiff is works past the dept Guidelines for being provided an full-class hearing to determine where plaintiff can/will be housed and or if transfer is open to alternate open facility et.al AR's 506, 504, 507, 539, 818.

(ii) the refusal of this dept's officials to re-house plaintiff on alternate unit can/will cause plaintiff severe problems, as senior c/o Bartlett is literally worshipped by fellow officers, due to his bodybuilder physique and Buff size and many devious tactic's can be deployed by c/o Bartlett and this dept's officials, plaintiff has metal cane on hand, could be used in said threats by C/O's, C/O Bartlett, agents, can say plaintiff refused walks, plaintiff tried/stated he would harm self, take plaintiff to un-video recorded area and say plaintiff tried to attack, get rough et.al officers, all these instances will appear very negatively upon plaintiff if/or this dept's c/o Bartlett et.al

begins to employ these often used tactics against plaintiff for ongoing seeking redressment for this violated right against this dept for illegal conduct against plaintiff; plaintiff has intimate knowledge of an fellow inmate at HDSP facility that was harassed by this same unit CPO's recently; for attempting to request officer accountability for this dept's officers total bias, negligence, hostile attitude against me/us inmates; but under the watch of this same unit CCS matire; us incident and injury to inmate; was in full view of this caseworker w/o her professional higher authority to act; but did not; this inmates suit may come before the Courts soon. senior CPO bartlett size and ability can cause serious damage to me/plaintiff; and this dept and its officials are well aware of his rage/wrath against me/inmates when he displayed of many work load of intake inmates and many bed-moves, which was what was going on 9/30/19 Friday evening as I was brought back to this unit seven from the facility PSYCH-Ward Wing and Mo-Hazard Hell. (excuse my language your Honor) forgive my language words in this motion your honor, its just, I have NO outside support or resource to talk to or tell; that may understand what Im trying to convey to you sir about how exactly this inside world operates; in this type of hostile to inmates atmosphere. The summary of my Incident and property damage, an inmate in cell #22 said he would hang his self, because of bartlett/mendoza took his T.V; only piece of mind with his life sentence; Im in cell #23, inmate Lucero in cell #21 had his items discarded as well, but has outside family support and said he could replace what was throughout, I plan to call this inmate for possible trial; should this case proceed/make it to trial.

(12) plaintiff request's at this time; that Complaint be amended and accepted as officer Liggett, Ndor. et.al., plaintiff feels upon info- and belief that this Campaign of Retaliation by this dept has followed plaintiff from HDSP Southern facility; to this its sister Northern facility, by the illegal, unconstitutional actions being taken against plaintiff currently; and the past actions of this dept officers, officials, agents, in which this Complaint was filed.

(13) plaintiff request special approval to submit an chronological record list by date, that will show plaintiff has in fact been under this vicious Campaign of Retaliation; against plaintiff's extensive use of the dept grievance procedure, seeking officer, agent, officer accountability for wrong, illegal, unconstitutional actions against plaintiff for his protested right to seek redressment, through dept/ courts for wrongs done to him by this dept.

(14) Plaintiff Can Show the past several yrs since plaintiff entered ofc. NV, Ndor dept correction/prison system; the ongoing consistent dept. retaliation against Plaintiff

(15) Plaintiff has no safe keeping for records, documents; should this dept maliciously discard more/ all of Plaintiff's legal files; and filed disingenuous reports et al  
THANK YOU YOUR HONOR for attention, effort on my behalf /a/c this matter

GRIEVANT'S STATEMENT CONTINUATION: PG. \_\_\_\_\_ OF \_\_\_\_\_

10/25/19 pm ccs main acknowledged to me that I cant/want be allowed to return to unit 2, due to a Conflict of Interest on ccs living behalf in essence ccs living is saying & hindering me to return to unit 2 for filing a Grievance on her for her unprofessional, biased & harassing Conduct against me. Is blatant & open discrimination & retaliation by this ccs living & this dept's supervisor who is obviously in concert with her against me; when did filing dept Grievances become a Conflict of Interest? Grievances are filed daily by multiple inmates seeking to address departmental issues, wrongs done by officers, staff, ccs workers etc. This is a protected right under 42 U.S.C. 1983 statutes. I do not have a problem with ccs living, I dont know her & on 10/7/19 was my first time ever meeting her. This allowance by this dept ccs living is a violation of my 14th & 8th & 42 - USCS 1983 st's of due process & deliberate indifference. The bias by ccs living or this dept is serving no legitimate or neutral governmental interest, but reveals the punitive, retaliatory mind state that's cumulative by this dept against me; while Im sitting in adverse austere housing which has caused atypical/significant hardship for me mentally, physically; while being denied to return to open G pop.
